

## **Carteret County Schools Field Trip Permission**

Field trips are an integral part of the school curriculum. A variety of well supervised, curriculum related trips are scheduled throughout the school year. You will be informed in advance of each field trip and its purpose.

In order for any child to accompany his/her class on the trip they need written permission from a parent or guardian. Your signature on this document gives us permission to include your child in any field trip we may take this school year.

My child \_\_\_\_\_ has my permission to go on class field trips throughout the school year. I understand that the classroom teacher will give me notice before each trip. If I prefer that my child remain at school during any trip, I will notify the school in writing.
