729-2301 * laura.mcgee@carteretk12.org
October 11-15, 2010

Unbe"leaf"able Learning

~We are beginning Math Fast Facts. We will be memorizing a list of facts each week and taking a one minute quiz. The "doubles" facts are first!
~Values of coins: we need to know the value of a penny, nickel, dime, and quarter.
~We are adding a poem each week to our Poetry Journals and practicing reading these! The kids are WONDERFUL at reciting poetry!! I love it!!

words to know

Take note of these words:

*life cycle *nocturnal

*fact family *sum

*difference

WELCOME

Teacher Notes

***Remember....leave the Homework/Behavior sheet in the back of the FROG binder until Monday when it is replaced with a new one**
