Ms. Laura's second grade october news

Smyrna Elementary School

Reminders:

~Fall Festival Oct. 22nd

~October book orders will be due on Monday the 11th. Check out online ordering from our webpage!

~be sure to complete a Speller's Choice activity each night to help learn your words

HELP WANTED!
Our class booth for the fall festival is the Bounce House. No decorating is necessary for this but if you are willing to sign up to work a "shift" at our booth taking up tickets and monitoring, please send me an email or note! The festival will run from 5:30-8:30 so there will be several time slots available. Thanks so much!!

~Please encourage your child to keep his/her FROG binder organized and to keep all papers, homework, and materials where I tell students to put them!! This really helps them be responsible and assures that they have all work/papers ready to turn in on time.

~Our theme this month is Animal Life Cycles: Spiders, Bats, Owls, and Nocturnal Animals

~This month in Math we will be learning more addition and subtraction, more place value, and data/graphing/probability problems

~In Reading groups we will be reading chapter books!!!

Super Students

Congratulations to Matthew, Riley, and Brandy who have already made "Outstanding" on our behavior chart!!
