Post Card Illustration Contest

What? Contest is open to all 8th grade students who wish to participate. Project is to illustrate a post card with a favorite scene of the Crystal Coast.

When? September and October 2006

Why? Crystal Coast Tourism Authority is providing this contest for 8th graders to enhance their social studies curriculum and provide county-wide display of their art work.

How? Students will use markers/pens to illustrate oversized blank post cards with local scenes. The self-addressed post cards (with Tourism Authority's address) will be available to visitors at the Crystal Coast Visitor Centers and at various accommodations. A writing prompt on the card that says "Let us know how you enjoyed your visit to the Crystal Coast" will allow guests the opportunity to write a short story about what they enjoyed the most while visiting. They can mail the cards back to the Tourism Authority, and we'll share their interesting stories!

Post cards will be judged in November, and winners will be announced at a December 12th awards ceremony & reception

Each school that enters will receive up to \$50 for 1st, 2nd & 3rd place winners!
