

Parent Advisory-10/19/09

The ECHS Parent Advisory Council met October 19, 2009. The following members were present: Principal Ralph Holloway, Assist. Principal Joe Poletti, Chairman Art Smith, Clyde Felton, Cheryl Fulcher, Deana Lynk, Karen Harrell-Tosto, Stephanie Shady and parent observer Angie Pittman.. There had been a change in the time so that Dr. Novey, school superintendent, could attend. Several of our members were unable to attend due to the earlier meeting time. However, we do appreciate Dr. Novey taking the time to attend and answer some of our concerns.

The minutes of the September meeting were read and approved.

The council members were given some very nice ECHS shirts. Those in attendance were honored to be presented with the shirts. Thanks to all who had a hand in that. Dr. Novey also received one and will wear it proudly.

Old Business:

Dr. Novey answered some question about projected completion time of the E and F/building project and others concerns of the committee.

Projected completion date: Fall 2011 for all work. That may change depending on weather. Paving: (band/athletic area) under consideration for upcoming meetings with the BOE and BOC. Mold/mildew near band room: Phase 1 (Feb/Mar of 2010). Window replacement completion: next few weeks as prices become available.

Our concern to Dr. Novey about several other issues is: yes, we can wait, but don't forget us.

New Business:

The ECHS musical will be, Willie Wonka. Opening night will be March 11th. We are all looking forward to that.

Fall Sports is winding down. Congrats to the possibility of the volleyball and football teams making it to the playoffs. We wish them good luck.

Winter Sports: Basketball and track will begin soon. An interest in a swim team in cooperation with Eastern Athletic Sports Club, may also begin.

***Next meeting: November 16th, 6:00**
