

**TO TEACHER ASSISTANTS  
WHO RECEIVED REDUCTION IN FORCE NOTICE**

**There are many changes occurring, almost on a daily basis, in our Legislature & Senate concerning the budget. The Carteret County Board of Education has not acted on the Superintendent's recommendation regarding the Reduction in Force of the teacher assistants.**

**In light of this, we will not be "paying out" your annual leave, longevity and your installments at this time. If you are on installments you will continue to receive checks throughout the summer.**

**For further information and answers to Frequently Asked Questions, click on the HR homepage, click on Information on Reduction in Force and then go to Frequently Asked Questions dated May 16, 2011.**
