

RESOLUTION

WHEREAS, the Internet has become the conduit to the richest repository of information in history and has emerged as the most versatile and far-reaching communication medium in history; and,

WHEREAS, increasing numbers of global citizens access the Internet for a variety of purposes on a daily basis; and,

WHEREAS, the digitally networked world is no different from the world at large in composition; and,

WHEREAS, schools have responsibilities to teach students computer skills and information skills curricular content, especially that which deals with safe and secure Internet activity; and,

WHEREAS, schools have an obligation to provide outreach to stakeholders on issues associated with Internet safety; therefore,

BE IT RESOLVED, that on this 8th day of August, 2006, the Board of Education of Carteret County Public School System hereby proclaims September 18-22, 2006 as Internet Safety Week in the Carteret County Public School System and pledges its support and cooperation in the delivery of programs that will seek to increase awareness of Internet safety among and provide strategies for Internet safety to all students and stakeholders.

Catherine H. Neagle,
Chairman, Board of Education

Dr. David K. Lenker, Jr.
Superintendent
