August 15-17 (Monday—Wednesday)

This summer, rising first through sixth graders will explore the habitats on Trinity Center's 58-acre property with the Sound to Sea Day Camp. Campers will:

- Use dip nets in the sound and pond to find out more about the biology of the various creatures that creep, swim and crawl on a barrier island.
- Explore the maritime forest and learn about the animals that live among the cedars, live oaks and pines, including the possibility of meeting our education corn snake or our birds of prey.
- Use items they have collected on the trails to create all kinds of art and music.
- Enjoy water time either on the beach or at the pool.

Call 252-247-5600 ext 17 to register your camper today!

Camp Trinity offers young people rising 2-12 grades an opportunity to experience residential camping in an enjoyable and beautiful setting along Bogue Sound and the Atlantic Ocean. Camp Trinity is a traditional camping program that offers activities such as: sailing, canoeing, paddleboarding, swim instruction, a variety of sports, arts and crafts, entertaining evening programs and much more. Each week at Camp Trinity is fun-filled and engaging, designed to get campers introduced to the world of overnight summer camp in a safe, structured, reassuring, empowering, and encouraging environment.

Contact Trinity Center Registrar, Nancy Reynolds, for more information about either camp or go on our website to download forms.
