Have Fun, make Friends See New Things.

For over 110 years, Scouts have been having the time of their lives making new friends and learning new things in an environment designed to help them succeed. From building HIS or HER own pinewood derby car to learning how to roast the perfect marshmallow with his best friends at a family campout, your child will LOVE being a Scout. So if HE or SHE is in Kindergarten through fifth grade it's time for them to have some fun with the Cub Scouts.
