With almost 70 **children** in foster care in Carteret County, there are many ways that **YOU CAN MAKE A DIFFERENCE!**

Did you know that across North Carolina, there are almost 11,000 children in foster care who need a safe, loving, and stable home. Are you aware that every night, children are sleeping in DSS offices, hotel rooms, and emergency shelters because there are not enough homes for the children in foster care? Did you know that YOU can change the course of life for one or more of these children by stepping up and partnering with Children's Home Society of North Carolina, the state's leading private child and family service agency?

How can you change the life of a child?
